EDUCATION

University of Victoria

Bachelor of Commerce, International Business

Victoria, British Columbia

September 2021 – May 2026

- **Relevant Courses:** Statistics for Business, Financial Accounting, Financial Markets and Investments
- **Additional:** Exchange semester at Singapore Management University (SMU), Fall 2024

WORK EXPERIENCE

Terminal Química Puerto México, Braskem / Advorio JV

Project Finance Intern

Mexico City, Mexico

February – July 2025

- Led renewal and extension of insurance program for a petrochemical terminal, securing coverage for US\$450M in operational and construction assets within a 12-week window by coordinating brokers, underwriters, and internal stakeholders across legal, risk, and finance
- Updated interest rate calculations for outstanding debt by incorporating 3M SOFR-based floating-rate mechanics and running scenario analyses in Excel, helping ensure accurate quarterly interest expense forecasts
- Reduced invoice processing time from approximately 4 days to 2–3 days per cycle by standardizing SAP workflows and mapping key credit agreement covenants to payment approvals, strengthening lender compliance
- Enhanced management and lender decision-making by building financial reports and covenant dashboards in Excel and think-cell for monthly steering committee and bank presentations

Rakha Al-Khaleej International (RAI)

Business Analyst Intern

Dubai, United Arab Emirates

May – July 2024

- Standardized core processes across logistics, sales, and finance departments by developing a company-wide SOP manual covering 30+ workflows, reducing process ambiguity and onboarding time for new hires
- Enabled a successful ERP migration under a tight deadline by cleansing, validating, and registering 1,000+ operational and financial logs from the MS Dynamics Finance and Operations to MS Dynamics Business Central, minimizing data reconciliation issues post-go-live

Prime Equity

Accounting Intern

Salvador, Brazil

May – August 2023

- Processed and coded 200+ invoices and receipts in line with IFRS and internal chart-of-accounts rules, supporting accurate monthly and quarterly financial statements
- Strengthened internal controls by completing daily and monthly account reconciliations, identifying and resolving discrepancies within 24 hours and maintaining audit-ready documentation for external reviewers

Mentor Investimentos, BTG Pactual Bank Associate

Wealth Management Intern

Rio de Janeiro, Brazil

May – August 2022

- Streamlined portfolio monitoring for a book of high-net-worth clients by organizing and updating multi-asset investment records in Excel using pivot tables, improving advisors' preparation time for client meetings
- Supported investment recommendations by preparing materials that compared fixed and variable income strategies under different inflation, GDP growth, and interest-rate scenarios, helping advisors articulate macro-driven allocation shifts to clients

EXTRACURRICULAR ACTIVITIES

Global Brigades

Fundraising Chair

Victoria, British Columbia

September 2023 – April 2024

- Coordinated educational booths to present our initiative to support under-resourced communities in Panama, ultimately raising \$18,000
- Collaborated with teammates to host social events, silent auctions, and bi-weekly donut selling booths to reach the target of \$1500 per month and increase engagement with the club
- Volunteered with 11 students on a business trip to Panama to provide financial literacy support and act as business consultants to local entrepreneurs in the El Membrillo and La Candelaria communities
